

- **Do you take bookings for larger groups?**

Yes! If the booking system is not allowing you to book the amount of people you require please message us on Facebook or Instagram

- **Do you need a pre order?**

Yes, this will be emailed to you approximately a week before. Please keep an eye on your emails to avoid your table being cancelled!

- **Why don't you serve your full cocktail menu for bottomless brunch?**

Honestly, if we served our full cocktail menu you'd probably be very unhappy with how few you'd receive in 2 hours. We're known for being quick with our drinks, so this means we use a maximum of 5 ingredients & they require no shaking to ensure speedy service.

- **Does the whole table need to participate?**

Yes, we ask that the whole table participates. If any members of the group do not wish to take part in the brunch, they will need a separate lunch / dinner table. You can message us to arrange this.

- **When is the last drinks order taken?**

15 minutes before your time ends - this gives us time to make the drink and for you to drink it before the end as we may need your table returned.

- **I've booked a table in the garden, but the weather forecast says rain is due! Can I change it to an inside table?**

If we can, we will! But availability is not guaranteed. Our Inside only fits a maximum of 25 people, whereas our garden can fit up to 70 - so inside spaces fill up very quickly. Our garden is fully covered in case of rain, but not fully enclosed. Please message us on Facebook or Instagram so we can check the bookings to see if we can move your table.

- **Can we stand up and dance?**

Yes! Absolutely! We welcome dancing & singing! Sometimes we have every table joining in but sometimes there's none! This depends on you & what you're comfortable with. We provide the drinks but YOU bring the vibes! We can't force people to sing & dance.

- **Do you have non-alcoholic options**

Yes, we can absolutely provide non-alcoholic alternatives

- **Do you offer gluten free or vegan alternatives**

Yes! Please let us know on your pre order email
